## DEPARTMENT OF HIGHWAYS

### NOTICE TO CONTRACTORS

#### Fort George Electoral District

Project No. 1596—Northwood Pulp Mill Road, Construction, Northwood Pulp Mill Access, Station 6+40 to Station 233+16.5 and Northern Approach Section, Station 0+20 to Station 47+70; Reconstruction, John Hart-Peace River Highway, Station 4+50 to Station 14+00 (5.37 Miles).

SEALED TENDERS, marked "Tender for Project No. 1596—Northwood Pulp Mill Road," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Wednesday, the 8th day of September, 1965, and opened in public at that time and date.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, Room 1414, 207 West Hastings Street, Vancouver 3, B.C., or from the undersigned, for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. This cheque or bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a deposit cheque is used, it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present

location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

H. T. MIARD,  
Deputy Minister.

## LEGISLATIVE ASSEMBLY

## PRIVATE BILLS

## Excerpt from Standing Orders Relating to Private Bills

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

- (a) A printed copy of such Bill;
- (b) A copy of the petition to be presented to the House;
- (c) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the

Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated January 5, 1949.

E. K. DEBECK,  
Clerk, Legislative Assembly.

## APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT

Grosvenor-Laing (B.C.) Ltd., of Annacis Island Industrial Estate, hereby applies to the Secretary, Pollution-control Board, for a permit to discharge sanitary and potato-chip wastes into the South Arm of Fraser River, which flows west and discharges into the Strait of Georgia, and gives notice of the application to all persons affected.

The point of discharge shall be located at Annacis Island, east side, immediately downstream of Audley Boulevard. The land upon which the effluent originates is Annacis Island, Delta Municipality, portions of Parcel J, Plan 16726, Block G, Plan 1537, of Lots 312 and 351, Group 1, New Westminster District.

The quantity of effluent to be discharged is as follows: Maximum hourly rate, 0.70 cubic feet per second, 260 imperial gallons per minute; maximum 12-hour discharge, 150,000 imperial gallons; average 24-hour discharge, 150,000 imperial gallons.

The operating season during which the effluent will be discharged is continuous.

The characteristics of the effluent to be discharged are as follows: Suspended solids (p.p.m.), 2,600 average before treatment, 500 average and 700 maximum after treatment; total solids (p.p.m.), 2,200 average before treatment, 900 aver-

age and 1,200 maximum after treatment; biochemical oxygen demand (p.p.m.), 1,180 average before treatment, 400 average and 500 maximum after treatment; pH, 6.5-8.5 average before treatment, 7.5 average and 8.5 maximum after treatment; temperature (degrees Fahrenheit), 50 average before treatment, 50 average after treatment; coliform bacteria (average m.p.n. per 100 ml.),  $3.1 \times 10^6$  average before treatment,  $3.1 \times 10^6$  average and  $24.0 \times 10^6$  maximum after treatment; toxic chemicals (p.p.m.), none.

The type of treatment to be applied to the effluent before discharge is pre-treatment of potato wastes, including screening, clarification, and grease-trapping, with land disposal of solids removed.

A copy of this application was posted at the proposed point of discharge on the 18th day of August, 1965.
